IT'S TIME TO BUILD YOUR STORY

The journey begins when you open the box. Find everything you need to build your story, and get ready to start building!

Let's get organized!
Take all the pieces out of the bags and lay them out where you can see them. Be careful not to lose any.

Take all the bags of pieces out of the box—you're almost ready to start building. Make sure you have your instructions handy!

Pull the tab to take your American Girl mini figure out of the window.

Meet Saige!

Girl of the Year® Saige Copeland is a spirited girl who loves visiting her grandmother's ranch and riding her horse, Picasso.

Saige is artistic, too. She can even draw horses that look real! When Saige needs to get inspired, she likes to take Picasso out for a long ride.

Time for an adventure!

“How about we go on a picnic?” Saige says to Picasso. “I’ll pack a snack for me and carrots for you. And I’ll bring my sketchbook. After we eat we can explore—and find the perfect place for your new portrait. We’ll ride until we find just the right spot!”

Saige uses her creativity to solve problems—and to have fun.

Today Saige plans a picture-perfect picnic. Tomorrow she might teach Picasso tricks back at the ranch. She can always think of something to do with this beautiful horse! What would you do?

BUILDING TIP

Try this. Hold the fence you've built in one hand, and use your other hand to snap the smaller fence pieces into place. That looks great!
